

2025 Specialty Summer Camps PARENT INFORMATION PACKET

Dear Summer Camp Family:

Welcome to Specialty Camps with Upper Providence Township Parks & Recreation! We are delighted to serve you this summer and are sure you will enjoy the camps we are offering. Specialty Camps are offered through Upper Providence Township's Parks and recreation but are staffed and delivered by hired contractors. However, UPT policies apply to all Specialty Camps.

This packet contains important information regarding camps; please read it thoroughly. At the beginning of the handbook, you will find general camp policies that pertain to ALL camp programs.

Specialty Camps are either half days (9am – 12pm) or full days (9am – 4pm). For half day camps, please pack a snack and refillable water bottle with your child(ren). For full day camps, please pack snacks, lunch, and a refillable water bottle. Be sure to label all personal items with your child(ren)'s name.

Please do not drop off your child(ren) before 9am, unless otherwise instructed by the Specialty Camp staff. You will be expected to sign your child(ren) in and out of camp.

If you have any questions regarding camp, please feel free to contact us at 610-933-9179.

We look forward to seeing you this summer!

Sincerely,

STAFFING

Each camp is managed by a qualified staff provided by the contracted specialty camp provider.

All contracted staff are screened by their hiring organization, and all relevant clearances have been sent to Upper Providence Township Parks and Recreation and are kept on file.

The camp program and staff are supervised by the Recreation Coordinator of Parks and Recreation.

Parents are reminded that staff supervision is during camp hours only.

DROP-OFF & PICK-UP PROCEDURES

In the interest of safety for all campers, parents are asked to escort their child(ren) to and from the assigned area to sign their child(ren) in and out of camp. The system is simple but will require the cooperative efforts of parents and staff.

Please let the Recreation Coordinator and the on-site staff know, by way of written note, if your camper(s) have permission to be picked up by someone other than you.

A late pick-up fee of \$5.00 per camper will be incurred at every five-minute increment past the camp's ending time. Continued late pick-up may result in dismissal from the camp program without refund of registration fees.

ABSENCES

Please notify the camp if your child will be absent by calling 610-933-9179 or email uptcamps@gmail.com. If your child is absent due to a contagious condition, please notify the Recreation center, so that other parents may be notified that their child may have been exposed. Please consult with your physician before notifying this Department so that we may give accurate information.

CAMP RULES & REGULATIONS

Your child should wear comfortable clothing and **sneakers** each day. **Open toe/open heel shoes are not permitted.** Children will get dirty at camp; please dress them accordingly!

If you know your camper will be outside for camp, please apply sunscreen to your child daily. You may send sunscreen to camp with your child; however, staff members are not permitted to apply the sunscreen to your child. We will remind the children to re-apply it to themselves throughout the day.

For full day camps the children are responsible for bringing their own lunch and refillable water bottle every day. It is recommended that lunch be packed in an insulated lunch bag, as refrigeration is not available at the camp sites. Bags should be clearly marked with your camper's name.

For half-day camps the children are responsible for bringing a refillable water bottle every day.

Children are responsible for helping to keep the park areas clean. They are expected to clean up after snacks, lunch, and crafts.

Children are expected to use appropriate playground structures and equipment as they were intended. Rules for use will be explained at the beginning of camp. Children may be prohibited from using the structure or equipment if a problem persists.

Camp staff will be monitoring bathroom breaks as well as supervising bathroom facilities from the outside. All campers must be potty trained and need to be able to use the restrooms unassisted.

Backpacks are permitted at camp, but we suggest that anything valuable be left at home. Please make sure all items are clearly labeled with your child's name. Neither Upper Providence Township, nor its staff is responsible for lost, stolen or damaged property. The following list of items is prohibited at camp:

- **Electronics including CELL PHONES*****
 - Cell phones – The site supervisor has access to a phone if parents need to be contacted. If a parent needs to reach their child or camp staff for any reason, please contact the Recreation Department at 610-933-9179.
- iPods/iPads/MP3 players/Kindle
- Video games (Nintendo DS/Switch/PS Vita)
- Knives or any type of weapon
- Toy guns

***If a child brings a prohibited item to camp, the item will be confiscated and returned to his/her parent at the end of the day. These items are prohibited in order to eliminate any disruption or safety concern that may arise from their use.

BEHAVIOR/DISCIPLINE POLICY

Appropriate behavior is expected of all participants during the summer camp programs. Respectful interactions between program participants and staff are essential to having a successful program experience. Bullying, fighting, inappropriate behavior/language and continual disregard for camp policies and procedures will not be tolerated. Camp staff will do their best to redirect any misbehavior and resolve any issues to achieve a positive outcome for all involved. If positive outcomes cannot be achieved, or if a camper exhibits continuous disruptive behavior, Upper Providence Township reserves the right to suspend or dismiss the camper from the program without refund.

MEDICAL INFORMATION

It is extremely important that we have all necessary medical information concerning your child(ren).

The responsibility for administering medications rests with the camper's parent or legal guardian.

No camp staff is permitted to administer medication. It is important that all medication be taken at home. No medication is to be sent to camp unless it is a prescription drug for preventive reasons or emergency conditions such as seizures, heart conditions, asthma, or allergy conditions.

These preventive or emergency medications may be sent to camp if the rules listed below are followed:

1. Note from the doctor stating name of medication, how it is to be given, amount, time and diagnosis of illness. The medication must be presented in the original package with prescription label attached.
2. Note from parent or legal guardian giving approval for the medication to be administered by the camper under staff supervision.
