Active Shooter & Stop the Bleed Training -5:30pm

The FBI defines an "active shooter" as one or more individuals actively engaged in killing or attempting to kill people in a populated area. Please join UPT Police and UPT Fire and Emergency Services as we team up to provide our community with life saving instructions on how to better understand, prepare and respond to an active shooter event. Our two hour instruction will start with providing a foundation using the Run, Hide, Fight principals for survival. UPT Fire and Emergency Services will then teach how to perform life saving techniques on individual and patient care with "Stop the Bleed" training. Pre-registration is required for this event due to limited space.

March 13th
